MISSION STATEMENT

Nurturing children, guided by faith and God's love.

VISION STATEMENT

Preschool years are an important foundation for later development. Holy Cross Preschool uses our God given resources to provide children the opportunities to reach their fullest potential. We are dedicated to introducing children to the values and principles based on Christian living that reflect the Evangelical Lutheran Church in America theology.

Holy Cross Preschool is a state licensed facility that offers:

- Small class sizes
- Outdoor fenced in play yard
- Large gym
- Music lessons
- Chapel time

Children will learn through a wide range of activities while being provided opportunities for exploration and self discovery. We meet health and safety standards that ensure your child will be safe.

We are a non-profit preschool, a ministry of
